

MAKE THE WRONG THING DIFFICULT AND THE RIGHT THING EASY.

THE FEET ARE IN YOUR HANDS.

GET THE FEET SOFT AND THEY WILL BE SOFT IN THE HEAD.

WATCH HIS EARS, WATCH HIS EYES, THEY ARE GOOD INDICATORS.

YOU ARE NOT WORKING ON THE HORSE, YOU ARE WORKING ON YOUR SELF.

THE LEARNING PROCES NEVER ENDS !!!

A LOT OF TIMES WE IGNORE THE SIGNALS !

TEACH YOUR HORSE TO RESPOND TO LIGHT PRESSURE ON THE HALTER.

LOW HANDS MAKE LOW HEAD !

CONFIDENCE IS KNOWING YOU ARE PREPARED FOR THE UNTHINKABLE.

WHAT YOU NEED TO KNOW FIRST, IS THE LAST THING YOU LEARN.

THE HORSE WILL TEACH YOU, IF YOU WILL LISTEN.

THE HUMAN IS FULL OF OPINIONS, THE HORSE IS THE FACT.

I RIDE MY HORSE, NOT THE SADDLE.

THE SLOWER YOU GO, THE FASTER YOU WILL LEARN.

IF YOU RIDE YOUR HORSE WITH QUALITY, YOU WONT NEED QUANTITY.

ITS A FEEL FOLLOWING A FEEL!!!

CaLRH.
